

Creating E-Portfolios for Future Job Opportunities

Want to boost your CV? Learn all about E-Portfolios in this workshop!

E-portfolios are here to stay! E-portfolios are a powerful and much more engaging way to showcase one's academic and professional skills.

In this workshop, students will be introduced to a great E-portfolio tool that will allow them to showcase their academic skills and accomplishments, describe relevant college projects, and display professional experiences in which they worked in the past or are currently working in a lively and visually appealing fashion.

Students will have the chance to follow a step-by-step guide to start their E-portfolio during the workshop, walking away with a brand-new and exciting repository of their abilities for future job opportunities.
