WEEKLY ONLINE LANGUAGE EXCHANGE

Want to take your language skills beyond the classroom?
Come join us to practice languages, meet new faces, and have fun!

What is the Language Café?

It is a space to chat, laugh, and learn! Whether you're looking to brush up on your *French, Swedish, Polish, German, Italian, or English*, this is your chance to engage in real conversations, guided by our native-speaking student tutors.

It does not matter if you are a beginner (A1.2 level) or more advanced: You can expand your language and intercultural skills and network with other language enthusiasts from the **entire UNIVERSEH Alliance**.

Can I tutor for the Language Café?

Yeah! If you're fluent in any of the languages of the Language Café, we'd love to have you on our Language Café team!
