

PhD English Toolkit (B2 level)

This course is designed for PhD students with a B2 level of English proficiency, focusing on the language skills needed for **effective communication in professional contexts**. Through interactive, scenario-based activities, students will **build confidence in professional communication** while **expanding their vocabulary and fluency**.

The course is organised into **four thematic chapters**:

- **Introductions:** Develop skills for self-presentation and building rapport in professional settings.
- **Professional Meetings:** Gain the language tools to participate in, organise, and lead meetings with clarity and professionalism.
- **Emails:** Master the art of writing structured, polite, and effective emails tailored for professional purposes.
- **Small Talk:** Enhance conversational skills for informal interactions, fostering connections and building professional relationships.

The course comprises **six sessions** in total. By the end of the course, students will be equipped with **practical English skills to manage a variety of professional scenarios with confidence and clarity**.
